## Prophecy

Do you remember the class of 52?

Well gather round while I tell you.

Phyllis Peterson we find as a noteworthy representative from our fair state in Congress.

Mary Lou Fluegel is singing in the Metropolitan Opera and in her spare time is an efficient mother and housewife.

Logene Streff is found as an efficient little secretary on the knee of the President of the U.S. What's she doing?

Well use your imagination!

Robert Nelson is now located in Cuba strumming away on his electric guitar. He is enthroned with dancing beauties.

Joan Kipp we find as a receptionist in the office of her doctor husband.

Donald Schnieder is the proprietor of 'Ze Ritze Club in Miami, Florida and employs many cute little numbers for his program.

Vivian Dewey is a very efficient nurse who spends most of her time taking care of "Sissy's Sores" and keeping the home fires burning for a sailor boy.

Mary Jenneman is a successful wife, and in her spare time she dances at Ciro's in Hollywood.

Donald Duerksen is general of the Twenty Fifth Infantry and it is rumored that he is running for President next term. Oh yes, by the way, he is married and has ten children.

Martha Mattheai recently entered the women's division of motorcycle racing at Minneapolis. Wonder why she is riding motorcycles nowadays?

Donald Timmerman is the famous editor of the New York Times.

Donnette Osterberg is hidden behind a teachers desk covered with big red apples. She is also a married career woman.

Marten Wells is a county agent in Rockfort County, Illinois. This county is said to be the most prosperous in the U.S.

Doris Larson is dining room hostess in the Waldorf Hotel in New York. As a hobby she enjoys her husband.

Orville Triebwasser is the star sharp shooter of Minneapolis Lakers. But of course he has to have a good job to feed those six little redheads.

Johnny Wiebe is the manager of the General Motors Company in Los Angeles. Seems as though he always did enjoy cars.

Patricia Graham we find journeying with her star cornetist husband as he plays in Tommy Dorsey's band. Last time I saw Pat a new addition had been added to the family nicknamed 'Kirk' Jr.

Myron Tuschen is the breeder of fine dairy cows on a huge ranch in Texas. We hear he is retiring soon, leaving the management in his son's hands.

Lujeanne Larson is happily married to a Swede. The last I heard they were on their way to Sweden to visit relatives.

Joan Kuyper is the famous makeup director for Hollywood's Metro Goldwyn Mayor. Seems as tho' she did all right in her beauty career.

Ertis Osterberg has just replaced Mario Lanza in his latest leading role and now has his own radio program.

Twila Wobig has, after an unsuccessful first marriage, returned to her high school sweetheart and is now off on her honeymoon to Bermuda.

Twenty two members have reached the heights of high school education in the chambers of Salem High School. Our class will always have the memories of busy and enjoyable days that have been. It was in these portals that we have acquired our greater scope of intelligence and human understanding.

Let's review the years of our high school days.

In 1948 our class began its upward climb with 21 green freshman. During that year Johnny Wiebe joined us. This year we gained new acquaintances and fitted ourselves for the following three important years. Many activities scattered along our paths as freshmen, gave us a wider understanding of high school days.

The sophomore year started out with the addition of three new members: Donna Anderson, Logene Streff and Myron Tuschen. But still as underclassmen we looked toward higher goals as upper classmen. During the course of the year Wanda Schnose was a member of our class for a few short months. Donald Duerksen also joined us in the middle of the sophomore year. Donna Anderson and June Anderson left after their sophomore years.

Now we started our interesting and enjoyable junior year. Twila Wobig joined us in the beginning of this year.

To begin this year's activities we as juniors presented "The Boarding House Reach," a three act comedy. It was after these episodes of play practise each night, that we as a class became better acquainted.

After the other events of the year were over, we racked our brains for ideas to please the seniors for the annual Junior-Senior Banquet. Finally an idea was struck upon and we decorated the band room to fit our theme, "Happy Holidays" Minds and eyes were now turned anxiously toward the senior year.

Upon entering our senior year as high and mighty intellects we regret to say Jerry Capon had left our fair class to attend school in California. Time caught up and began pressing us forward in our final journey through the halls of Salem High School. Events hurried past us and before we realized it the finish of our senior year had crept up on us. Three weeks before school was out we presented "Stranger in the Night," a three act mystery comedy.

Hard work and determination have led us to our goal and now we will no longer be able to claim these halls as home.

TOWARD A BETTER AMERICA

# Future Farmers of America

# Future Homemakers of America

The F.F.A., a very active organization consisting of twenty-three members, began its activities for the year by holding its Father-and-Son Banquet.

The F.F.A. invited the F.H.A. girls to a roller skating party at Montrose.

Judging teams were sent to Marion for a weed and poultry contest, and Sioux City for a livestock Judging Contest.

Nine boys attended the State Judging Contest at Brookings on April 20-22.

After the monthly meetings lunch was served and the boys played basketball.

The members include Milton Anderson, LeRoi Danielson, Charles Gough, Kenneth Marquardt, Philemon Melin, Howard Miller, Philip Raue, Roland Triebwasser, Dean Kirby, Lowell Koepsell, David Nelson, Verne Waldner, Eddie Wiebe, Delmer Duerksen, Robert Nelson, Vernon Pearson, Donald Duerksen, Donald Timmerman, Orville Triebwasser, Myron Tuschen, Wayne Weld, Martin Wells, Johnny Wiebe.

Many activities were carried on by the F.H.A., including: the annual Christmas party, Daddy Date Night, and Spring Style Show.

The Homemaking III class presented to the Study Club a panel discussion on "Youth, its problems and questions".

At the Christmas party gifts were exchanged, games played and a delightful lunch was served.

Daddy Date Night, a new feature in our program, was very successful. The girls invited their "Daddys" as their dates, played games, sang songs, and also served a lunch. We hope this can be repeated next year.

Many new fashions were shown at the Spring Style Show and Tea. The girls modeled the clothing they made in Home Economics for the mothers and friends in attendance.

The victory over the Canistota Hawks gave the Cubs a 50 per cent rating for the season with six wins and six losses in conference play, and a tie with Montrose for fourth place.

The victory by the little Cubs in the Second Team game ended the season for the B squad with 15 wins and no defeats. This brightens the prospects for the next two years in spite of the fact that five of the first ten are graduates this spring.

In the tournament at Mitchell, the Cubs really made a good showing. They surprised us all, by defeating the Monroe Canaries in their first game, which entitled them to play the Marion Bears later on in the tournament. This game they too won, and then on to the finals!!! In the finals, the Cubs really ran up against tough competition, having to play the Humboldt Eagles. This was our defeat, but the team took second anyway.
